KURECK, Wallin, and GERS

Att to EDMA 56458, 18 Oct 61

CALLIXAN appeared to be identical with an ~~DISMANTLE~~ of VENDETTA. It appeared that UDRONSY was lying on a clandestine meeting between both counts and the cell was discussed in great detail. It turned out the analysis of the actual CALLIXAN by the FBI showed a similar UDRONSY had talk with (EDMA's former contact) ~~DISMANTLE~~ to be attached to ~~DISMANTLE~~ - the clandestine meeting in question was between UDRONSY and ~~DISMANTLE~~.
